
The Skull and Spine Workshop

Flesh out the 1st Chapter and the Skeleton of your Book

This 6 week workshop is designed just for fiction and memoir writers taking a first pass at a book length project. Weeks 1-3 focus on your narrator, character, and scene. Weeks 4-6 are for outline and revision. By the end of 6 sessions, you will have written, workshoped and revised your first chapter and committed to a working chapter outline.

Come with an idea. We'll give it some bones.

Sundays from 6:30-8:30pm

January 8 - February 12
